

**Client Engagement Center Lobby Closes Temporarily  
Effective – Monday, January 10th**

Due to the omicron variant the decision has been made to close the Client Engagement Center lobby and return to drive-thru only hours from 9:00 a.m. to 4:00 p.m. beginning Monday, January 10th. In-person appointments can also be requested.

With our full suite of electronic services and Free ATM's nationwide, we hope you will take full advantage of these benefits while this protective measure is in place. It is our goal for this service delivery adjustment to be seamless, creating no compromise to our service commitment.
